

Prekindergarten and Kindergarten Assessments

Districts must administer assessments to each student in 4-year-old and 5-year-old kindergarten once during the first 45 days of the school year and once during the last 45 days of the school year. Districts may choose the assessment to administer to 4-year-old kindergarten students from the list below. All districts must administer the DRA-2nd Edition Plus to 5-year-old kindergarten students.
